Dear Supporter,

We are seeking your support as a sponsor for the **2017 100K Vertical Challenge** to benefit Two Top Mountain Adaptive Sports Foundation. The Event will be held on February 13, 2017 at Whitetail Resort in Mercersburg, PA from 9:00 a.m. to 4:00 p.m. and we hope you will consider supporting us!

Whitetail has generously donated an entire ski run for the 30+ event participant teams, who will ski/snowboard down 107 runs to fulfill their audacious goal of skiing 100,000 vertical feet in order to fundraise for Two Top. Last year was our Fifth Annual event and we raised over \$62,000. This year we are setting our sights on \$100,000 to match the 100K Challenge.

Two Top is the only organization in the region offering daily sporting opportunities throughout the year. Our central location makes us easily accessible from the Baltimore/Washington, D.C. metropolitan area, allowing our participants to return often and become proficient in their chosen sport. Whereas most adaptive sports programs offer one weekend or week long training, our unique program allows disabled veterans to build their skills and their confidence through ongoing training opportunities.

Two Top has grown from 40 ski lessons during our first season in 2007-2008, to 775 lessons during the 2014-2015 ski season. We grew from 3 waterski lessons in 2012 to 83 lessons in 2016. During the 2016 ski season, Two Top experienced a short winter season (60 days), due to warm weather. Despite this, we taught 525 lessons, with disabled veterans taking 217 all day lessons with us. Our daily lessons include an eight-hour lift ticket, a morning and afternoon lesson (lasting two hours each), equipment, one lead instructor and multiple staff or volunteer instructors as needed. Two Top Instructors and volunteers remain with their disabled veteran for the entire day, including lunch. Our consistent, personal, and long-term interactions with disabled veterans builds trust and confidence. Our participants thrive in this therapeutic and emotionally safe environment, enriching their experiences as they build their skills and confidence.

All of our sponsors are featured on the 100K website. The following sponsorship levels are available:

Platinum Level (\$5,000 donation) - logo on 100K website, event T-shirt and base-area banner (provided by sponsor)

Gold Level (\$2,500 donation) - logo on event T-shirt and 100K website

Silver Level (\$1,000 donation) - logo on 100K website

The cutoff to have a sponsor's logo included on the events T-shirt is **January 25, 2017**. For the best appearance, please provide your logo as a vector file (eps file).

Please refer to our website at www.twotop100k.org for more information about the upcoming event and www.twotopadaptive.org for more information on our programs. In addition to teaching skiing and snowboarding, Two Top teaches waterskiing, kayaking and cycling (new 2017) in the summer.
